

# Online Safety Golden Rules

## Juniors

1. We always ask permission before using the internet and ensure a trusted adult is near us while we use it.
2. We immediately close / minimise any page we feel uncomfortable with and tell the responsible adult about it. (Switch off the monitor if necessary)
3. We only communicate with people a trusted adult has approved.
4. All our digital communications are friendly and polite.
5. We keep our personal information safe, secret and secure.
6. We will only use software approved by a trusted adult in school.
7. We will not use any personal devices in school unless approved by a trusted adult.
