IMPORTANT

School Communication Update

From Monday 28th April we will no longer be using Parent Mail to communicate with families (e.g. Newsletters, Learning Updates, Text Messages) instead we will be moving over to School Spider. This is the company who provides our School Website, and we are asking parents if they haven't already done so (*information on School Spider is always provided in the school induction pack*) to download the Spider App so that we can keep in touch!
