Year 6: Logan for showing remarkable personal growth through his improved attitude and positive outlook. Scarlett for her amazing progress in Arithmetic and Reasoning.

Year 2 Trip to 'Bring Yer Wellies'

The children had an amazing day on their visit to Bring Yer Wellies! They were an absolute credit to our school with their attentive listening, participation, manners and attitude to learning. They loved finding out about animal survival and the importance of senses, as well as seeing first hand some intricate birds' nests and the 13 year old wormery! After a picnic lunch, the children worked together using team building to complete a series of scavenger hunts, obstacles and den building. A fantastic time had by all and a huge thank you to Melissa and Nigel at Bring Yer Wellies 😊

VE DAY 80TH CELEBRATION DAY THURSDAY 8TH MAY 2025

Children and staff are invited to wear red, white and blue to celebrate this historic occasion.

School is holding a themed celebration day and although we will be 'off timetable' nevertheless it will be a day of learning. Staff have planned a memorable selection of activities which your children will enjoy.

At lunchtime we will enjoy a street party lunch on the school playground. Parents of junior children will need to order and pay for this on Parent Pay.

Thank you in advance of your support.

LET'S CELEBRATE TOGETHER!

Sunflowers and Sunshine

Little Saints Nursery have enjoyed a had a wonderful start to their project 'Sunflowers and Sunshine' this week. We made the most of the sunshine today and we set up a lovely camping area to enjoy our fruit snack in! The new 'Little Saints' starters have made a wonderful start and it's lovely to see the children making new friends and learning our routines. Hopefully the good weather will continue so they can continue their learning in the EYFS outdoor area.

Next week we are looking for
